Case No. 6:20-cv-355-JDK-KNM

**ORDER ADOPTING THE REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Plaintiff Jecarra T. Lane, a Texas Department of Criminal Justice inmate proceeding pro se, filed this civil rights lawsuit pursuant to 42 U.S.C. § 1983. The case was referred to United States Magistrate Judge K. Nicole Mitchell for findings of fact, conclusions of law, and recommendations for disposition.

On May 10, 2021, Judge Mitchell issued a Report recommending that Plaintiff's civil rights action be dismissed without prejudice for failure to prosecute and failure to comply with a Court order. Docket No. 15. Specifically, Plaintiff failed to pay an initial partial filing fee of \$22.00 and failed to file an amended complaint. See Docket Nos. 9, 13. A copy of Judge Mitchell's Report was sent to Plaintiff. Because the Report was properly placed in the United States mail, the Court presumes that it reached its destination in the usual time and was actually received by the recipient. See *Faciane v. Sun Life Assurance Co. of Can.*, 931 F.3d 412,

420–21 & n.9 (5th Cir. 2019). To date, Plaintiff has neither objected to the Report nor otherwise communicated with the Court.

This Court reviews the findings and conclusions of the Magistrate Judge *de novo* only if a party objects within fourteen days of service of the Report and Recommendation. 28 U.S.C. § 636(b)(1). In conducting a *de novo* review, the Court examines the entire record and makes an independent assessment under the law. *Douglass v. United Servs. Auto. Ass’n*, 79 F.3d 1415, 1430 (5th Cir. 1996) (*en banc*), *superseded on other grounds by statute*, 28 U.S.C. § 636(b)(1) (extending the time to file objections from ten to fourteen days).

Here, Plaintiff did not object in the prescribed period. The Court therefore reviews the Magistrate Judge’s findings for clear error or abuse of discretion and reviews the legal conclusions to determine whether they are contrary to law. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir. 1989), *cert. denied*, 492 U.S. 918 (1989) (holding that, if no objections to a Magistrate Judge’s Report are filed, the standard of review is “clearly erroneous, abuse of discretion and contrary to law”).

Having reviewed the Magistrate Judge’s Report and the record in this case, the Court finds no clear error or abuse of discretion and no conclusions contrary to law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the United States Magistrate Judge (Docket No. 15) as the findings of this Court. It is therefore **ORDERED** that this case is **DISMISSED** without prejudice for want of prosecution and Plaintiff’s failure to comply with a Court order.

So **ORDERED** and **SIGNED** this **28th** day of **July, 2021**.

A handwritten signature in black ink, appearing to read "Jeremy D. Kernodle", is written over a horizontal line.

JEREMY D. KERNODLE
UNITED STATES DISTRICT JUDGE
